

Ranger Direct Lending Fund plc (the “Company”)

Interim Dividend

The Directors of the Company declare an interim dividend of 24.62 pence per ordinary share (USD equivalent 32.00 cents per ordinary share) for the three month period to 30 June 2017.

The dividend will be paid on 22 September 2017 to shareholders on the register as of 25 August 2017. The ex-dividend date is 24 August 2017.

The Company has elected to designate all of the interim dividend for the period 30 June 2017 as an interest distribution to its shareholders. In doing so the Company is taking advantage of UK tax treatment by "streaming" income from interest-bearing investments into dividends that will be taxed in the hands of shareholders as interest income.

Following changes to the withholding tax rules which took effect from 6 April 2017, interest distributions from the Company are no longer subject to withholding on account of income tax. The interim dividend will therefore be paid gross to shareholders.

The last date for elections for the Dividend Reinvestment Plan is 25 August 2017.
